

EXHIBITION SOLUTIONS WORLDWIDE

EUROPE | ASIA

From day one, they exceeded all my expectations in terms of clarity, speed, and professionalism. Our collaboration has been completely seamless, and Saltwater's dedication to meet our needs is truly outstanding. Together with us and our advertising agency, Saltwater worked smoothly to create a booth that we proudly presented at IFAT 2024. It's hard to find better service, construction, or project management. Moreover, all promised prices were upheld.

SWD studio did an exceptional job with our stand at Hannover Messe. Klaudia made it all easier, and was the reference person the whole time. The process was smooth, and we received fantastic feedback from attendees. Highly recommend their services.
